(Appendix 2) for Accepted Researcher

To: President of the National Institutes for Quantum and Radiological Science and Technology

Oath concerning Research Misconducts

During a period of being accepted or commissioned by the National Institutes for Quantum and Radiological Sciences (QST) in Japan, I will observe the QST's rules and regulations applicable to accepted researchers, etc. at QST, including its "Rules concerning the Prevention of Research Misconducts and Responses ", as well as laws and regulations including those stipulated by research funding organizations; I will never commit or be involved in the acts noted below; and when I discover those acts I will report without delay and act faithfully.

Should I have done anything against this oath, I will not challenge the termination of acceptance and commission and any other actions that may be taken in accordance with the QST's rules and regulations as well as actions taken by funding organizations; and I will accept legal liability related to the actions, and will be liable for the compensation for damage caused to the QST as a consequence.

Note

1. Research misconducts such as fabrication, falsification, plagiarism, etc.
2. Abuse of research funds such as fund deposit, pooled money, embezzlement, etc.
